Erin is incredible, both as a photographer and as a person. My partner and I decided to elope last minute and booked her just a couple weeks in advance (2020 times). Even though we'd never met before, Erin was so easy to talk to and so amazing at her job. She was extremely organized, great at communicating, had a clear vision, and executed it perfectly. She showed up early, scouted the location, was ready to go the minute she turned up, sent us around 20 edited photos THAT night and even more a few days later. She kept us on track day of, all while being so lovely to have around. She was such a calm and easygoing presence. My partner and I both don't love taking photos typically but she made everything feel fun and easy. My husband didn't even want photos and he is so happy we hired her. We thought she was truly amazing! Needless to say, the photos themselves were incredible and were beyond anything we expected. Everyone who saw them asked who our photographer was, and we would recommend her to anyone. We feel so lucky we were able to hire her. Erin just went above and beyond in every sense of the word. She is the gold standard!
